

Lord, by the words of consecration the substance of the bread and wine is converted into the substance of your Body and Blood. All powerful Lord, say over me the word which will change me into you. -St Anthony Mary Claret

You've heard a lot about the National Eucharistic Revival, but do you know what it is? What does the Real Presence *actually* mean for you and me? Why is this so very important? It would take way more than a page to answer this completely, but I recently heard this expressed in an intriguing way.

**YOU are a tabernacle.** When you were baptized, you became a part of the Body of Christ. This is not symbolic for us; you are intimately connected with Jesus and every Christian that has ever lived and will ever live. Jesus lives in you and with you.

**YOU are the Eucharist.** You receive the Eucharist at Mass to strengthen and sustain you on your journey of life. As a sacred vessel, not unlike Mary herself, how will you choose to live your life?
