A new series has launched on the Eucharistic Revival website! It's a compelling account of the first Christians and their courageous struggle to uphold their faith against the Roman Empire. Learn the true meaning of the Eucharist in this inspiring documentary.

For not as common bread and common drink do we receive these; but in like manner as Jesus Christ our Saviour, having been made flesh by the Word of God, had both flesh and blood for our salvation, so likewise have we been taught that

the food which is blessed by the prayer of His word... is the flesh and blood of that Jesus who was made flesh. And on the day called Sunday, all who live in cities or in the country gather together to one place, and the memoirs of the apostles or the writings of the prophets are read... Then we all rise together and pray, and, as we before said, when our prayer is ended, bread and wine and water are brought, and the president in like manner offers prayers and thanksgivings, according to his ability, and the people assent, saying Amen; and there is a distribution to each, and a participation of that over which thanks have been given, and to those who are absent a portion is sent by the deacons.
